Evolution to provide Live Casino for PokerStars Casino NJ

Evolution Gaming, leading provider of Live Casino solutions, has announced that it has signed an agreement that will see Evolution power The Stars Group's online Live Casino services for players at PokerStarsCasinoNJ.com in New Jersey, USA.

The Stars Group – a long-standing Evolution customer operating a dedicated Live Casino environment for PokerStars Casino at Evolution's main central European studios in Riga, Latvia – will use Evolution's recently opened studio in Atlantic City, New Jersey for its latest New Jersey product launch.

Already operating in New Jersey, The Stars Group operates other online gaming brands in that state, such as PokerStars and BetStars.

James Stern, Director of Business Development & Land-based Sales at Evolution, commented: "We have worked with The Stars Group since 2015, during which time we have worked together in a number of regulated markets in Europe."

He added: "The immediate popularity of our Live Casino tables at our Atlantic City studio has exceeded even our high expectations. I am confident that PokerStars Casino New Jersey's customers will be drawn to Live Casino, and enjoy the thrill of playing at our wide range of Live Roulette, Blackjack and Baccarat tables."
